

BALLROOM

The Biltmore Ballrooms

The Georgian and Imperial Ballrooms at The Biltmore... There's just nothing quite like them in the city. The two spaces—which were built as part of the original hotel in 1924—are stunning and feature the original handcrafted plaster relief ceilings, restored crystal chandeliers, Palladian windows and Tennessee marble floors. They're now listed on The National Register of Historic Places and can accommodate groups from 50 to 1,500. 817 W. Peachtree St., 404.962.8700, novarevents.com

With prettily placed cottages, rolling farmland and pops of fresh flowers amid the bleating lambs, it's hard to think of a more peaceful place to wed.
